COMMERCIAL DIVISION ADDS CERTIFIED COPIES TO ONLINE FILINGS

Secretary of State Tom Schedler is announcing the addition of requests for certified copies to the Commercial Division's online filings. These requests include certified copies of articles, amendments, certificate of existence and good standing.

"I am pleased to announce that we have increased our online filing options to 13 with this addition," Secretary Schedler said. "This is another way that our agency streamlines the functions of the Commercial Division and provides excellent service to the citizens of our state."

Customers utilizing online services may pay with a credit card and will not be charged an expedite fee. Staff members are still working on the online filing project and expect to add the GeauxBiz checklist as well as the affidavit to dissolve within the coming months.
