

October 2, 2010 Election  
Parishes of Ascension, East Baton Rouge and Livingston

Amite River Basin Drainage and Water Conservation District Proposition  
(Millage Renewal)

Summary: 10 year, 2.65 mills drainage tax for providing revenues to carry out the District's local share of the Comite Diversion Canal Project provided that said tax shall be levied if approved by a majority of the electors of the area and only in those parishes in which a majority of the electors voting on this proposition approve the levy of said tax.

Shall the Board of Commissioners of the Amite River Basin Drainage and Water Conservation District be authorized to levy and collect a two and sixty-five hundredths (2.65) mills drainage tax on all the property subject to taxation located within the Comite River Diversion Canal Impact Area of the Amite River Basin Drainage and Water Conservation District (the "Area") (an estimated \$2,445,000 reasonably expected at this time to be collected from the levy of the tax for an entire year), for a period of ten (10) years, beginning with the year 2011 and ending with the year 2020, for the purpose of providing revenues to carry out the District's local share of the Comite Diversion Canal Project provided that said tax shall be levied if approved by a majority of the electors of the Area and only in those Parishes in which a majority of the electors voting on this proposition approve the levy of said tax?
