A supplemental nominating petition shall be certified in the order in which it is received, without regard to the time when the original nominating petition for that candidate was submitted. A registrar may stop certifying the signatures on a nominating petition when the total number of the signers he has certified as having signed the petition timely and as being registered to vote on the office the candidate seeks equals one hundred fifteen percent of the number of qualified voters required to nominate the candidate for the office he seeks. A registrar's certification shall be conclusive as to the number of qualified voters who timely signed a nominating petition, and evidence to the contrary shall not be admitted in an action objecting to the candidacy of the candidate who filed the nominating petition.
