E. The service has a one-time enrollment fee of $35. An enrollment does not expire; however, it can be cancelled by the enrollee, by another authorized applicant, or by the Department of State. Enrollments are non-transferrable. A new SBF enrollment application must be completed to reinstate a cancelled enrollment or to change the SBF enrollment to a different geauxBIZ user. Once the enrollment application is approved by the department, the department will provide the corporation with a personal identification number (PIN) that will be unique to the corporation. Tom Schedler
Secretary of State
In accordance with Section 953 of Title 49 of the Louisiana Revised Statutes, there is hereby submitted a fiscal and economic impact statement on the rule proposed for adoption, repeal or amendment. THE FOLLOWING STATEMENTS SUMMARIZE ATTACHED WORKSHEETS, I THROUGUE IV AND WILL BE PUBLISHED IN THE LOUISIANA REGISTER WITH THE PROPOSED AGENCY RULE.

I. ESTIMATED IMPLEMENTATION COSTS (SAVINGS) TO STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

The proposed rule will increase expenditures for the Secretary of State’s Business Division by an indeterminable amount in FY 17 and subsequent fiscal years. The expenditures are associated with software development and maintenance for the geauxBiz system’s Secured Business Filings (SBF) service. This is a new service that business entities can choose to enroll in at their discretion. The Secretary of State projects 15,300 businesses will enroll in FY 17. Projections further indicate an additional 1,920 businesses will enroll in FY 18.

All expenditures for the SBF program are dependent upon self-generated revenues collected via a $35 enrollment fee and the number of business entities electing to participate in the program. To the extent businesses enroll in the SBF program according to the Secretary of State’s projections, the department will realize expenditures of approximately $428,400 in FY 17 ($35 * 12,240 businesses), and $67,200 ($35 * 1,920 businesses) in FY 18 associated with enrolling business entities. The Secretary of State projects that startup costs to add the SBF service to the geauxBiz system would total $428,400 and anticipates enough businesses will enroll to fund the addition of the service. In addition, the Secretary of State anticipates that approximately $67,200 will fund maintenance on the system in FY 18 and in subsequent fiscal years.

To the extent fewer businesses enroll than the Secretary of State projects, the department anticipates utilizing self-generated revenues from other sources to fully fund the SBF system.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

The proposed rule will increase self-generated revenue collections by an indeterminable amount. To the extent businesses participate in the Secured Business Filings (SBF) program based upon the Secretary of State’s projections, the department will realize a revenue increase of approximately $428,400 in FY 17 and $67,200 in FY 18. The exact revenue increase is indeterminable and dependent upon the number of businesses choosing to enroll in the SBF program. The Secretary of anticipates funds generated from the $35 enrollment fee will adequately fund expenditures associated with the SBF program.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS OR NON-GOVERNMENTAL GROUPS (Summary)

The proposed rule creates an optional service designed to discourage fraudulent business filings in Louisiana. This service will notify enrolled business entity via email whenever amendments are submitted on the geauxBiz system. Business entities will have an opportunity to review the filing and approve or reject further processing of documents by the Department of State, including potentially fraudulent and harmful business filings. Businesses entities statewide must pay a one-time registration fee of $35 if they choose to participate in the Secured Business Filings service.
IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

The proposed rule will not have an effect on competition and employment.

The enrollee can give the PIN to any person filing amendments on behalf of the enrollee to bypass the SBF review period and approval step; however, the enrollee will still be notified when filings are received, regardless of whether or not the correct PIN was entered by the submitter. This service has a one-time enrollment fee of $35 and enrollments do not expire; however, they can be cancelled.
