

# STATEMENT OF PROPOSED CONSTITUTIONAL AMENDMENT November 5, 2024

In compliance with R.S. 18:431 and R.S. 18:552, a statement of the Proposed Constitutional Amendment for the November 5, 2024 election is provided as follows:

**1. Do you support an amendment to require that federal revenues received by the state generated from Outer Continental Shelf alternative or renewable energy production be deposited into the Coastal Protection and Restoration Fund?  
(Amends Article VII, Section 10.2(E)(1))**

Act 408 (2024 Regular Session)

**Present Constitution** provides for the manner in which the state treasurer makes required annual deposits into the Coastal Protection and Restoration Fund from federal revenues received by the state from Outer Continental Shelf oil and gas activity.

**Proposed Constitutional Amendment** retains present constitutional language and adds other federal revenue sources received by the state, including, but not limited to: wind energy; solar energy; tidal energy; wave energy; geothermal energy; and other alternative or renewable energy production or sources.
