WHAT ARE WE VOTING FOR?

Presidential Preference Primaries are held in order for voters to select their party’s nominee for President of the United States. A voter may only vote for a party’s nominee if they have that party affiliation designated on their voter registration.

Additionally, voters that have a Democrat or Republican affiliation designated on their voter registration will be able to vote for members of the State Central Committees and Parish Executive Committees for their respective parties.

In some municipalities and other local jurisdictions, there will also be races for local offices and/or local proposition elections. See the map below for more details.
