Dear Parish Board of Election Supervisors Member:

With your new term of office following the 2015 Gubernatorial Election, we have revised and updated this handbook to reflect current law and election procedures. As a public official responsible for supervising elections in your parish, it is very important to read this handbook and familiarize yourself with your duties and responsibilities to carry out those duties and responsibilities accordingly. The Attorney General for the State of Louisiana is your legal advisor and as such, has reviewed and approved this handbook for your use.

This handbook has been produced as a dynamic Adobe PDF document that is easily searchable on our website. You may access the handbook online at www.geauxvote.com under the following links: Elections & Voting>Get Forms & Publications>Download Election Forms>Parish Board of Election Supervisor’s Handbook.

We also have recently revised the procedures for provisional voting in Federal Elections to consolidate the supplies and materials and the return of the supplies and materials. We have produced the Election Official’s Guide to Provisional Voting for your reference for provisional voting during Federal Elections.

As always, our office will continue to assist you in your election duties and responsibilities as necessary, but we take this opportunity to impress upon you the importance of your role in fully participating in the supervision of elections. The integrity of the elections depends on each board member carrying out his or her responsibilities to the best of their ability. A quorum is required for all actions and the success of the elections depends on your public service.

If you have any questions or comments regarding this handbook, please do not hesitate to contact our office. And please do not hesitate to contact the Attorney General’s office should you need legal guidance in the performance of your duties.

Sincerely,

Tom Schedler
Secretary of State

Part 1: General Provisions

1.01: Parish Boards of Election Supervisors (“the board”)

A. A Parish Board of Election Supervisors is a statutorily created body under the Louisiana Election Code, in La R.S. 18:423. The purpose of the board in each parish is to oversee and supervise all elections within the parish. This is a very important and vital service to the parish and to the state of Louisiana in furthering and ensuring the safety and accuracy of our elections and democratic process.

1.02: Composition

A. The board is composed of the following members of each parish:

1. The registrar of voters, or designee (designee MUST be a sworn deputy registrar);
2. The clerk of court, or designee;
3. The chairman of the parish executive committee of the Democratic Party or designee;
4. The chairman of the parish executive committee of the Republican Party or designee; and
5. A Governor appointee (no designee allowed by law).

Note: If a parish executive committee has not been formed in a particular parish, a voter registered with the party may be appointed by the chairman of the state central committee of that political party to serve on the board.

B. La R.S. 18:423 allows the clerk of court or registrar of voters to appoint a designee to serve in their place when they are absent from meetings of the board. In accordance with Louisiana Attorney General Opinion AG-OP 05-0123, the chairman of the Democratic or Republican Parish Executive committee may also appoint a designee.

C. Pursuant to La R.S. 42:2, all elected/appointed members of the board continue to serve until their successor is sworn into office.

D. As defined by La R.S. 42:1, each member of the board is a “public officer”, meaning each member is a person holding a public office.

1.03: Powers and Duties

A. The board supervises the preparation for and the conduct of all elections held in the parish.

B. All papers filed with the board are filed with the president or secretary of the board.

C. The board maintains a permanent street address, which MUST be filed annually with the secretary of state and the local clerk of court.
1.04: Legal Representation

A. The attorney general is the attorney and legal advisor to the board, and may designate the appropriate district attorney to represent the board.

B. The attorney general may, with respect to a particular matter, authorize the board to employ special counsel.

C. Any compensation for special counsel is fixed by the board, subject to approval by the attorney general, and is paid by the parish governing authority.

Part 2: Parish Boards of Election Supervisor Officers

2.01: President

A. Every four years, following the election of the governor, the parish board of election supervisors meets no later than July of the new gubernatorial term and elects one of its members to serve as president of the board. This will occur in years 2016, 2020, 2024 and 2028, etc.

B. The president is responsible for ensuring that all meetings are held in accordance with law, including the requirement of a quorum at all meetings, and held in accordance with the open meetings law, as described under La R.S. 42:12 through La R.S. 42:28. (See "Part 14: Open Meeting Laws for Additional Information").

2.02: Secretary

A. The board may also elect one of its members to serve as secretary of the board.

B. A non-member of the board may not serve as secretary and receive compensation from the secretary of state without the advanced written approval of the secretary of state or designee.

C. The board in a parish containing a municipality with a population of 300,000 or more may employ an executive administrator who will be the principal assistant to the board.

2.03: Filing Requirements

A. The board files a list of its officers with the secretary of state after the gubernatorial election every four years, and whenever one or more of its officers change. This will occur in years 2016, 2020, 2024 and 2028, etc.

Part 3: Compensation, Materials, and Expenses

3.01: Refer to the Election Expense Manual.

3.02: View the Election Expense Manual Online at

A. http://www.sos.la.gov/ElectionsAndVoting/PublishedDocuments/PBESCOCElectionExpenseManual.pdf
Part 4: Public Meetings and Public Records

4.01: Meetings – General Information

A. The board MUST conduct its business in the presence of a quorum of at least three members.

B. All meetings are open to the public; however, anyone attending the Election Day meeting for counting and tabulating absentee and early voting ballots will be sequestered until 8 p.m.

C. Written public notice MUST be given of all meetings at least 24 hours before the meeting, unless case of extraordinary emergency. Such notice MUST be either posted at principal office of board, posted where meeting is held, or by publication in official journal. Notice MUST include date(s), time(s) and place of meeting(s). Additionally, board MUST annually give written public notice of regular meetings at the beginning of each calendar year. (See, La R.S. 42:19 in “Part 14: Open Meeting Laws for additional information.”)

D. Minutes MUST be taken at every meeting.

E. Documentation of attendance at meetings may be required, such as signed voting machine tapes or other documents.

F. Time and Expense Report forms MUST be filed for every meeting with the secretary of state’s Accounting Division in order for the board member or designee to be paid.

G. The board is a public body, subject to the open meetings law and rules listed below:

1. Every meeting of the board MUST be open to the public unless closed for an executive session pursuant to La R.S. 42:16 and La R.S. 42:17.

2. The board MUST vote by voice, and is prohibited from voting by proxy, secret balloting, or any other means to circumvent the intent of the open meetings law.

3. All votes MUST be recorded in the minutes of the meeting, which MUST be a public document. (See “Part 14: Open Meeting Laws for additional information.”)

4.02: Statutory Public Meetings Open to the General Public

A. Commissioner-in-Charge Selection

1. On the second Friday in January at 10 a.m. each year, the board selects a commissioner-in-charge to serve at each precinct in the parish. The board issues a commission to each commissioner-in-charge for a term of one year, beginning the third Monday in January. (La R.S. 18:433)

B. Commissioner Selection for Election Day

1. At 10:00 a.m. on the 29th day before a primary election for public officials, or the 21st day for bond, debt, tax, or a proposition election not held at the same time as an election for public officials, the board selects the commissioners (and alternates) for each precinct. If a proposition election is held on a general election date for which no commissioners were selected for the precincts in the proposition election, commissioners need to be selected 21 days prior to the proposition held on the general election date. (La R.S. 18:434) (La R.S. 18:1286)
C. Testing and Sealing for Early Voting

1. The board **MUST** meet **prior** to the conduct of early voting, for the sealing of early voting machines and generate a zero tally for each machine before the registrar of voters seals the early voting machines. The parish custodian (clerk of court) is required to notify each candidate to contact the registrar of voters for the time and place of this meeting. (La R.S. 18:1309.1)

D. Election Day Count

1. On Election Day, the board counts and tabulates absentee-by-mail and early voting ballots; everyone who attends this meeting is sequestered until at least 8 p.m. when the polls close. (La R.S. 18:1313)

2. The board may select parish board commissioners (and alternates) to count absentee-by-mail and early voting ballots at **10 a.m. on the fifth day before a primary election.** The maximum number that may serve is six. For additional parish board commissioners, the board **MUST** request and receive approval from the secretary of state or designee prior to Election Day. A request should include a justification and may be sent by mail or email. (La R.S. 18:1314)

3. For a general election, the board may reduce or increase the number of parish board commissioners (and alternates) as selected for the primary election. An increase from six **requires** approval as noted above. (La R.S. 18:1314)

E. Election Results Verification

1. On the **third day after the election**, one board member assists the clerk of court in opening the voting machines. The board observes the verification of the votes, and begins to compile the election returns. In a federal election, the board also counts provisional ballots on either the third or fourth day after the election for a presidential or regularly scheduled congressional election. (La R.S. 18:573)

F. Election Results Certification

1. No later than **4 p.m. on the fourth day after the election**, the board completes the compilation of election returns and files one copy of the compiled statement with the clerk of court and another copy is mailed to the secretary of state. (La R.S. 18:574)

G. Reinspection or Recount, if requested

1. If requested by a candidate or by a person who voted in a proposition election in writing to re-inspect machines and/or recount ballots and if the number of absentee-by-mail and early voting ballots cast for all candidates for an office or the proposition could make a difference in the outcome of the election; or if ordered by court, the board **MUST** meet on **the fifth day after an election at 10 a.m.** to:
   a. Recount the absentee-by-mail and early voting ballots for a particular office or proposition;
   b. Inspect absentee-by-mail voting flaps; and/or
   c. Re-inspect the voting machines. The following regulations apply for the re-inspection of voting machines:

2. A written request **MUST** be filed with clerk of court by **the last working day prior** to the date of recount (**4th day after an election**);
3. The clerk **MUST** post notice of time and place for recount in their office and name of requesting candidate;

4. The candidate or the voter in the proposition election requesting the recount is responsible for all reasonable costs associated with recount (payable to the clerk of court), including reimbursement at the rate of $50 to each board member attending the recount. *(La R.S. 18:573) (La R.S. 18:1313)* The cost of the recount **MUST** be paid at the time the written request for the recount is filed with the clerk of court and paid in cash or by a certified or cashier’s check from a state or national bank or credit union, a United States postal money order or a money order issued by a state or national bank or credit union; and

5. If the recount changes the outcome of the election, the costs paid by the candidate or voter in the proposition election will be reimbursed by the clerk of court and the costs of the recount will be a reimbursable election expense.

**4.03: Public Records**

A. Each parish board of election supervisors is a “public body” for the purposes of the public records law in *La R.S. 44:1* et seq.

B. “Public Records” are books, records, writings, accounts, letters, memoranda, papers, etc. and all copies or other reproductions having been used, being in use, or prepared, possessed or retained for use in the conduct of the board’s business.

C. The public official or head of the public body having custody or control of the public records is the “custodian” of the records.

D. Certain information in a public employee’s personnel record is confidential, such as the home telephone number if private or unlisted or whether the employee has requested that the number be confidential; and the home address of the employee, if requested to remain confidential.

E. Providing access to public records is a responsibility and duty of the office of the custodian and their employees. Any person of the age of majority may inspect, copy or reproduce, or obtain a reproduction of any public record. Some public officials, such as registrars of voters, may have more specific laws on copying of public records, which supersede the general law.

F. The custodian **MUST** present any public record to any person of the age of majority who so requests, and can only inquire as to the age and identification of the person. The custodian may require the person to sign a register, and may maintain such vigilance as is required to prevent alteration of any record while it is being examined. Any nonpublic record may be separated before examination.

G. For copies, the custodian may collect reasonable fees; furnish without charge or at a reduced charge to indigents. Upon a request to review a public record, if a question is raised by the custodian as to whether it is a public record, the custodian **MUST** within three days (not including Saturdays, Sundays, and legal holidays) of receipt of a written request for a record, notify the requestor in writing of their determination and reasons.

H. If the public record requested is not in the custody or control of the person to whom the application is made, such person **MUST** certify this in writing to the applicant and state to the best of their knowledge the reason for the absence of the record and its location.
I. There are specific provisions of the Louisiana Election Code which require the preservation of certain election documents, which are a specific exemption to the public records laws. Please contact your legal advisor before responding to a public records request.

Part 5: Commissioners and Watchers

5.01: Election Day Workers (Commissioners)

A. The board selects commissioners-in-charge, commissioners, and alternate commissioners for every election and issues commissions to same.

B. Law enforcement officers are not eligible to serve as commissioners-in-charge, commissioners, alternate commissioners, or watchers.

C. In the event of a replacement of a commissioner-in-charge or commissioner, the board issues a commission to the replacement commissioner-in-charge or commissioner. A commissioner-in-charge who fails to attend a course of instruction held immediately prior to a presidential or congressional election MUST be replaced, but can be commissioned as a commissioner.

D. The board may submit a written request to the secretary of state, on or before the 23rd day before the election, for additional commissioners for overcrowded precincts.

E. After the general course of instruction for commissioners has been conducted by the clerk of court, the board furnishes to each commissioner-in-charge a list of all certified commissioners registered to vote in the ward and who have not already been selected to serve in the election.

F. If the clerk of court has conducted a pre-election course of instruction, the board furnishes to each commissioner-in-charge a list of all certified commissioners registered to vote in the ward who have completed the pre-election course of instruction and who have not already been selected to serve in the election.

G. The clerk of court MUST conduct at least one pre-election course of instruction prior to a presidential or congressional general election. (See La R.S. 18:424, 425, 426, 428, 433, and 434 for additional information.)

5.02: Disqualification of Election Day Worker

A. Prior to the disqualification of a commissioner-in-charge or commissioner, the board MUST conduct a hearing and offer the commissioner-in-charge or commissioner an opportunity to be heard.

B. All hearings are public meetings and should be conducted under the open meetings law.

C. The board should notify the commissioner-in-charge or commissioner of the reasons for conducting a disqualification hearing and allow them to appear, be heard and show, if they can, why they should not be disqualified.

D. The attorney general’s office should be contacted to assist in any disqualification hearing, as legal advisor to the board.

E. If the board cannot schedule this hearing at a regularly scheduled meeting date, it MUST seek prior approval for a special meeting from the secretary of state’s office in order to receive payment for the special meeting. (See La R.S. 18:433 and La R.S. 18:434 for additional information.)
5.03: Watchers and Super Watchers

A. The board issues commissions to watchers and super watchers. Before the polls open on Election Day the board provides each precinct with a list of the watchers and super watchers, if any, and alternate watchers entitled to serve at the election. A commissioner-in-charge or commissioner may not be commissioned as a watcher or super watcher. An alternate commissioner may be commissioned as a watcher or super watcher unless selected to serve as commissioner for the same election.

B. Each candidate is entitled to have one watcher at every precinct where the office he seeks is voted on in any primary or general election.

C. Each candidate is entitled to have one watcher designated as a super watcher for admittance to all precincts where the office he seeks is voted on in any primary or general election.

D. The candidate is required to sign and file a list of watchers with the clerk of court before 4:30 p.m. on the 10th day before any primary or general election. The candidate may use an authorized representative to file the signed list with a letter of authorization from the candidate.

E. A list of watchers may be filed with the clerk of court by hand delivery, facsimile, mail, or by commercial courier.

F. A list of watchers filed for the primary election may be used for the general election if the candidate notifies the clerk of court in writing by 4:30 p.m. on the 10th day before the general election.

G. Any person supporting or opposing a proposition or question, who has filed the necessary campaign finance report (required by La R.S. 18:1486) is entitled to have one watcher at every precinct where the issue they seek to influence is voted on in a primary or general election. (Law does not provide for super watchers for any person supporting or opposing a proposition or question).

H. A watcher and alternate watcher may serve at the same precinct on Election Day but not at the same time. They may replace each other; however, a watcher and a super watcher may serve at the same precinct at the same time.

I. Watchers and super watchers MUST BE a qualified voter of the State of Louisiana who is not entitled to assistance in voting and not a candidate in the election. See the Poll Watchers Pamphlet on the secretary of state’s website at www.GeauxVote.com, under Become a Candidate>Monitoring an Election (See La R.S. 18:427 and La R.S. 18:435 for additional information about watchers)

Part 6: Early Voting

6.01: Parish Board of Election Supervisors

A. The board is responsible for generating a zero tally from each early voting machine after the voting machines have been examined and tested, and prior to the conduct of early voting. (La R.S. 18:1309.1)
6.02: Registrar of Voters

A. The registrar of voters records the public and protective counter numbers for each machine on a form prepared by the secretary of state for use in verifying the early voting results on election day and then seals the early voting machines in the presence of the parish board of election supervisors and any candidate or member of the general public who wants to view the preparation, testing and sealing of the machines. (La R.S. 18:1309.1)

6.03: The Clerk of Court’s Office

A. The clerk of court is responsible for notifying candidates at the time of qualifying that they may contact the registrar of voters for the date and time of preparation, testing and sealing of early voting machines. (La R.S. 18:1309.1)

Part 7: Election Day

7.01: Election Day Voting Machines

A. The number of voting machines is allocated by law based on the number of active voters in a precinct, under La R.S. 18:1363. The board may reduce the number of voting machines to be used in a candidate or proposition election. In such case, the board MUST notify the clerk of court and the secretary of state at least three weeks prior to such election seeking approval with a written justification for the reduction. This request for approval may be by mail or email to the secretary of state or designee.

B. The board may reduce the number of voting machines for candidate elections where more than one polling place is within the same location and the board has consolidated polling places in that location for that election in accordance with La R.S. 18:425.1. The board MUST notify the clerk of court and the secretary of state. Additionally, the board may reduce the number of voting machines in candidate elections by submitting a written request on or before the 23rd day prior to an election in accordance with La R.S. 18:1363(H).

C. The board may reduce the number of voting machines where only the political party committee members are on the ballot. The board MUST notify the clerk of court and the secretary of state not less than 21 days prior to such election. (La R.S. 18:1363)

D. The board may submit a written request to the secretary of state for additional voting machines for overcrowded precincts on or before the 23rd day prior to an election. (La R.S. 18:1363)

E. The clerk of court MUST notify candidates at the time of qualifying to contact the voting machine warehouse for the time period when voting machines will be prepared and tested. The clerk of court MUST notify candidates of the time period when voting machines will be sealed, which is required no later than 36 hours prior to the opening of the polls. (La R.S. 18:1373)

F. At least one member of the board assists the clerk of court in opening the voting machines on the third day following the election. Public and protective counter numbers MUST be recorded and the printed election results on each machine MUST be verified. The clerk of court may utilize deputy clerks and other employees in this process. (La R.S. 18:573)
G. After all machines are opened, the clerk of court **MUST** verify, in the presence of the board, the total votes cast for each candidate and for and against each proposition as shown on the printed election results and the total number of absentee-by-mail and early voting votes cast for each candidate and each proposition as shown by the **Final Absentee Vote Report** (See Figure 1) filed with the clerk of court by the board. ([La R.S. 18:573](https://example.com))

**Part 8: Absentee and Early Voting Tally**

**8.01: Absentee by Mail and Early Voting Tabulation**

A. Absentee-by-mail ballots and early voting ballots are tabulated and counted by the board and the results are announced after the closing of the polls as the total number of absentee-by-mail and early voting votes cast in the election for each candidate and the total number cast for and against each proposition.

B. The board may utilize parish board commissioners to count these ballots, pursuant to [La R.S. 18:1314](https://example.com). If a majority or a quorum of the board is not present to count, the members present may select a sufficient number of parish board commissioners on Election Day to assist in the counting. The maximum number that may serve is six. For additional parish board commissioners, the board **MUST** request and receive approval from the secretary of state or designee prior to Election Day. Please contact the secretary of state’s office, Registration Division for a request form.

C. Counting **MUST** be at a public facility within the parish designated by the registrar of voters at a time fixed by the board, which **MUST** be **no later than 8 p.m. on Election Day**. The board or commissioners may request security and technical assistance from the secretary of state in-person or by telephone.

D. If the count begins **prior to the closing of the polls at 8 p.m.**, the count **MUST** be conducted in a location and manner to prevent disclosure of the results prior to the closing of the polls. Each person, except the security or technical assistance personnel authorized by the secretary of state, who enter the counting location **MUST** remain in that location and **MUST** not be allowed to leave except temporarily, and then only accompanied by security (for bathroom break), and **MUST** not communicate with any person outside until the polls close. (Security should require all electronic communication to remain with him until person is authorized to leave).

E. During the counting of absentee-by-mail and early voting ballots, the board or commissioners determine by majority vote:

1. The validity of any ballot challenged; and

2. Whether or not to reject a ballot with a distinguishing mark.

F. If the board upholds a challenged ballot for cause and does not count the ballot, it **MUST** notify the voter by sending the signed **Blue** copy of the **Challenge of Voter for Cause (CV-ME)** form (see Figure 2) used to make the determination within three days by regular mail. In addition, the Board **MUST** retain the **Pink** copy of the form, and give the challenger the **White** copy of the form. The **Challenge of Voter for Cause (CV-ME)** form is provided by the secretary of state and **MUST** be signed by at least a majority of the board. ([La R.S. 18:1315](https://example.com))
G. The board may duplicate a defective ballot that is physically damaged or cannot be counted by the counting equipment if the board determines that the vote cast by the voter is clearly discernible from a physical inspection of the defective ballot. A true duplicate may then be made of the defective ballot in the presence of witnesses and substituted for the defective ballot according to the procedures issued by the secretary of state and posted on LASOSNET/COC>Elections Documents> Absentee Ballots>Duplication of Absentee Ballots or on LASOSNET/ROV>ROV Forms>Duplication of Ballot Procedures. ([La R.S. 18:1313](La R.S. 18:1313))

8.02: Recount of Absentee by Mail/Early Voting Ballots

A. **On the fifth day after an election,** if timely requested by a candidate or person who voted in a proposition election in writing (or at any time ordered by a court) the board **MUST** meet to recount the absentee-by-mail and early voting ballots for a particular office and/or re-inspect the voting machines. (See Section "4.02: Statutory Public Meetings Open to the General Public" for more information.)

Part 9: Election Day and Provisional Voting Tally

9.01: Election Results (La R.S. 18:573)

A. Election returns are compiled and certified by the board after each election.

B. The third day after the election, the voting machines are opened, if the third day falls on a Saturday, Sunday, or other legal holiday, then the machines are opened on the second day following the election.

   1. For a Saturday election, the third day is Tuesday.

   2. For a Tuesday election, the third day is Friday.

9.02: Absentee by Mail and Early Voting Results (La R.S. 18:1313)

A. **Act 395 (HB 665)** of 2013 was enacted to update the registrars of voters procedures for verifying early voting and absentee ballots, and to update the parish board of election supervisors procedures for counting early voting and absentee ballots.

B. The secretary of state is authorized to assist the registrar of voters in the challenge removal process on the early voting machines, in reading the early voting machine results cartridges, and in producing the early voting machine results report.

C. The board **MUST** be responsible for counting and tabulation of all absentee-by-mail and early voting ballots in the parish. The absentee-by-mail and early voting votes cast for a candidate and those cast for or against a proposition **MUST** be counted and announced as the total number of absentee-by-mail and early voting votes cast for a candidate and those cast for or against a proposition. The board **MUST** enter the total number of votes on the **Final Absentee Vote Report (FAVR)** (see Figure 1) for mail and early voting ballots; and **MUST** certify the results.
D. Procedures for counting early voting machine ballots and paper ballots voted during early voting are as follows:

1. A member of the board presents for counting the early voting verification forms, early voting machine public counter logs, early voting confirmation sheets, paper ballots voted during early voting, early voter report and all early voting machine results reports.

2. The board reviews the verification forms and public counter logs, and if found to be acceptable, signs the verification form (each board member signs). If the board does not find the verification form(s) to be acceptable, it may review any early voting confirmation sheet and MUST document its correction to the early voting verification form(s) and then sign it.

3. The board announces the results from the early voting machine results report for the in-person early voting ballots.

4. For each paper ballot voted during early voting, the board MUST follow the same procedures for handling the absentee-by-mail ballots by announcing the name of the person, the ward and precinct, and MUST compare the name on the flap of the ballot envelope with the names on the early voter report.
5. For all challenges for cause a Challenge of Voter for Cause (CV-ME) form MUST be completed (see Figure 2). The board MUST determine the validity of challenges and complete and sign the Challenge of Voter for Cause (CV-ME) form.

6. If the board determines that a paper ballot voted during early voting is valid, a member of the board MUST write “voted early” and their initials on the ERIN printed Final Absentee Daily Voters Report (In-Person) (see Figure 3) beside the name of the voter as it appears on the report. A member of the board then tears the flap from the ballot envelope and leaves the ballot envelope sealed.

7. If a majority of the board determines that a paper ballot voted during early voting is invalid, the members MUST leave the flap on the ballot envelope, leave the ballot envelope sealed, and write “rejected” and the reasons for rejection across the ballot envelope. A member MUST also write “rejected” and their initials on the ERIN printed Final Absentee Daily Voters Report (In-Person) (see Figure 3) beside the name of the voter as it appears on the report and place the rejected ballot in the special envelope or container and not count it.

8. After the validity of all paper ballots voted during early voting have been determined, the board MUST place the valid early voting confirmation sheets and the flaps removed from the valid paper ballots in the special envelope or container and two members MUST execute the certificate on the envelope or container.

9. The member MUST open the envelopes containing the valid paper ballots and remove the ballots. (The board should make a visual inspection of the ballots and separate into stacks those ballots to be read by counting equipment and those ballots to be hand counted or duplicated due to possible ambiguous scan errors.)

10. The board MUST reject any ballot containing a distinguishing mark or feature making the ballot susceptible of identification as provided by La R.S. 18:1316. A ballot MUST not be rejected as containing a distinguishing mark if the ballot was transmitted electronically to a member of the U.S. Service or a person residing outside the United States.

11. If a ballot is physically damaged or cannot properly be counted by the counting equipment and the vote cast by the voter is clearly discernible from a physical inspection of the defective ballot, a true duplicate may be made of the defective ballot in the presence of witnesses and substituted for the ballot (or hand counted). The duplicate MUST be clearly labeled “duplicate”, bear a ballot number which MUST be recorded on the defective ballot and be counted in lieu of the defective ballot. After a ballot has been duplicated, the defective ballot MUST be placed in the special envelope or container and the duplicate ballot MUST be counted with the other valid ballots.

12. Prior to utilizing counting equipment, the board MUST generate a zero tally to ensure the equipment’s candidate and question counters are set at zero and that no votes have been cast and the board MUST sign and certify to the correctness of each zero proof sheet and place all zero proof sheets in the special envelope or container.
E. Procedures for counting absentee-by-mail ballots are as follows:

1. A member of the board removes the certificates and special absentee-by-mail ballots and envelopes containing the absentee-by-mail and early voting ballots from the special absentee-by-mail and early voting ballot envelope or container.

2. The board announces the name of each absentee-by-mail voter and the ward and precinct where he is registered to vote, and MUST compare the name on the certificate or on the flap of the envelope containing the absentee-by-mail ballot with the names on the absentee-by-mail voter report.

3. For all challenges for cause a Challenge of Voter for Cause (CV-ME) form MUST be completed (see Figure 2). The board MUST determine the validity of challenges in accordance with La R.S. 18:1315 (pre-filed challenges or challenges for cause during the counting) and complete and sign the Challenge of Voter for Cause (CV-ME) form, if applicable.

4. If the board determines that an absentee-by-mail ballot is valid, a member of the board writes the words “voted by mail” and their initials on the absentee-by-mail voter report beside the name of the voter as it appears on the report.

5. If applicable, a member of the board tears the flap from the envelope containing the absentee-by-mail ballot and leaves the envelope sealed.

6. If a majority of the board determines that an absentee-by-mail ballot is invalid, the flap remains on the envelope and a member writes the word “rejected” with the reason across the envelope or the certificate attached to the special absentee-by-mail ballot. The member MUST also write the word “rejected” and their initials on the absentee-by-mail voter report beside the name of the voter as it appears in the report. The rejected ballots and certificates MUST be replaced in the special absentee-by-mail and early voting ballot envelope or container; and no rejected absentee-by-mail ballot MUST be counted. (The board is required to notify the voter in writing on a form provided by the secretary of state within three days by mail.)

7. After the validity of all absentee-by-mail ballots has been determined, the members of the board place the valid certificates and flaps removed from the ballots in the envelope or container provided for that purpose and seal. Two of the members MUST execute the certificate on the envelope or container.

8. The members MUST then open the envelopes containing the valid absentee-by-mail ballots and remove the ballots. (The board should make a visual inspection of the ballots and separate them into stacks; those to be read by counting equipment and those ballots to be hand counted or duplicated due to possible ambiguous scan errors.)

9. The board MUST reject any ballot containing a distinguishing mark or feature making the ballot susceptible of identification as provided by La R.S. 18:1316. A ballot MUST not be rejected as containing a distinguishing mark if the ballot was transmitted electronically to a member of the U.S. Service or a person residing outside the United States.
10. If a ballot is physically damaged or cannot properly be counted by the counting equipment and the vote cast by the voter is clearly discernible from a physical inspection of the defective ballot, a true duplicate may be made of the defective ballot in the presence of witnesses and substituted for the ballot (or hand counted). The duplicate **MUST** be clearly labeled “duplicate”, bear a ballot number which **MUST** be recorded on the defective ballot and be counted in lieu of the defective ballot. After a ballot has been duplicated, the defective ballot **MUST** be placed in the special envelope or container and the duplicate ballot **MUST** be counted with the other valid ballots.

F. All provisional ballots **MUST** be counted by the board. (See the following section for details).

G. The board is required to count paper ballots cast at the polling place under the administrative rules on [Emergency Election Day Paper Ballot Procedures](#). The board is also required to count ballots received electronically for military and overseas voters; or for voters who are unable to vote during early voting or at the polls on Election Day due to out-of-state work responsibilities relating to a declared emergency when the secretary of state authorizes special procedures for emergency voting pursuant to [La R.S. 18:1308](#).

H. The board is required to publically prepare two compiled statements of the election returns as shown by the record of votes made by the clerk of court, after the verification and counting of provisional ballots. One (1) copy to be filed with the clerk of court **no later than 4 p.m. on the fourth day after the election**, and one copy to be mailed to the secretary of state **no later than noon on the fifth day after the election**. ([La R.S. 18:574](#))

I. The board, by majority vote, may attach a notation of any irregularities observed by the board to the compiled statements. Examples of irregularities may include:

1. The security of the polling place, or warehouse;
2. The security of the voting machines;
3. The physical condition of the voting machines;
4. The physical condition or substantive contents of the election materials in the voting machine; or
5. Any other matter affecting the verification of the vote totals by the clerk of court.

9.03: Provisional ballots (La R.S. 18:566.2)

A. On or before the 3rd day (or 4th day) for a presidential or regularly scheduled congressional general election (primary and run-off) following the election and prior to the compilation of returns, available registration documentation is provided to the parish board of election supervisors by the registrar of voters for the purposes of determining if the individual that voted provisionally is a registered voter and eligible to vote in the election.

B. The parish board of election supervisors is responsible for the counting and tabulation of all provisional ballots in federal elections. Provisional ballots are counted by hand.

C. If the parish board of election supervisors determines that parish board commissioners are necessary to assist in counting provisional ballots, the board MUST obtain the approval of the secretary of state before selecting the parish board commissioners. The maximum number of parish board commissioners that may serve is six (6). For additional parish board commissioners, the parish board of election supervisors MUST request and receive approval from the secretary of state or their designee prior to Election Day. A request form is provided by the secretary of state’s office, Registration Division.

D. In a parish where no parish board commissioners are utilized during the counting and tabulation, the board may utilize commissioners to count the provisional ballots; if so, the selection and compensation of such commissioners MUST be in the same manner as parish board commissioners.
E. Provisional ballots MUST be counted on the third day following the election or may be counted on the fourth day for a presidential or regularly scheduled congressional general election (primary and run-off), and prior to the compilation of returns, at the office of the registrar of voters or at a public facility within the parish designated by the parish board of election supervisors. NOTE: If the board chooses a public facility other than the registrar of voters’ office, the board shall be responsible for the secure transport of the provisional ballots from the registrar’s office to the public facility and for the return of such ballots.

F. Candidates, their representatives, and qualified electors may be present during counting and tabulation of provisional ballots, but they may only observe and not interfere.

G. Procedures for counting provisional ballots:

1. A member of the parish board of election supervisors removes the sealed Provisional Ballot Affidavit Envelopes (AFF-PB) (see Figure 4) containing the voted provisional ballots from the Provisional Ballot Parish Board of Election Supervisors Envelope (PB-PBES) (see Figure 5) or box and all other contents in the envelope or box.

2. A member of the parish board of election supervisors announces the name of each provisional voter and the members of the parish board of election supervisors compare the name on the flap of the Provisional Ballot Affidavit Envelope (AFF-PB) with the name on the List of Provisional Voters (see Figure 6).

3. The parish board of election supervisors MUST determine whether the provisional ballot will be counted. The board members may review all available registration documentation provided by the registrar of voters, the secretary of state, and/or other state and local agencies for the purposes of determining whether the individual casting a provisional ballot is a registered voter and eligible to vote in the federal election.

4. If the parish board of election supervisors determines that a provisional ballot will be counted, a member of the board writes the provisional ballot number and the word “counted” next to the provisional voter’s name on the List of Provisional Voters (see Figure 6).

5. If applicable, a member of the parish board of election supervisors tears the flap from the envelope containing the provisional ballot, attaches the provisional voter’s registration documentation to the envelope flap, and leaves the envelope sealed.

6. If a majority of the parish board of election supervisors determines that a provisional ballot will not be counted, the flap remains on the envelope and a member of the board MUST write the word “rejected” with the reason across the envelope. A member of the board MUST also write the provisional ballot number, the word “rejected”, and the reason for the rejection next to the name of the provisional voter on the List of Provisional Voters. The rejected ballots are placed in the Rejected Provisional Ballot Envelope (PB-RB) (see Figure 7) and will not be counted.

7. After the validity of all provisional ballots has been determined, the members of the parish board of election supervisors place the original signed List of Provisional Voters (see Figure 6), the flaps removed from the valid provisional ballots and the attached registration documentation in the Provisional Ballot Registrar of Voters Envelope (PB-ROV) (See Figure 8) or box.
8. The members of the parish board of election supervisors then open the Provisional Ballot Affidavit Envelopes (AFF-PB) containing the valid provisional ballots and remove the voted ballots.

9. The provisional votes cast for a candidate for federal office shall be counted by hand, and announced in the order of the offices and candidates listed on the provisional ballot. The board enters the votes on the Final Provisional Ballot Vote Report (PB-FVR) (see Figure 9) and certifies the results.

10. The original Final Provisional Ballot Vote Report (PB-FVR) (see Figure 9) is transmitted to the clerk of court. A copy of the Final Provisional Ballot Vote Report (PB-FVR) and a completed Board of Elections Supervisors Approval of Provisional Voters (PB-S) (see Figure 8) form from the ROV LASOSNET portal is mailed to the secretary of state in the Provisional Ballot Secretary of State Envelope (PB-SOS) (see Figure 9) by the parish board or the registrar of voters.

11. Upon completion of the count, the parish board places the valid provisional ballots, a copy of the Final Provisional Ballot Vote Report (PB-FVR), and the Rejected Provisional Ballot Envelope (PB-RB) (see Figure 7) in the Provisional Ballot Registrar of Voters Envelope (PB-ROV) (tamper-proof) or box with envelope attached and sealed.

9.04: Certification Requirements

A. The clerk of court MUST enter the provisional votes from the Final Provisional Ballot Vote Report (PB-FVR) (see Figure 9) into the secretary of state’s statewide Elections Registration Information Network (ERIN) before certifying the election results. If there are no provisional votes, then the clerk of court MUST enter zero in the required fields and certify.

B. The provisional vote certification MUST occur before the certification of the election returns that is required to be completed no later than 12:00 noon on the fifth day after the election in La. R.S. 18:574.

Part 10: Publications and Notices

10.01: Official Parish Journal Publications

A. The board publishes notice of the meeting to select commissioners and alternate commissioners in the official parish journal and posts a notice on the front courthouse door. (La R.S. 18:434)

B. The board publishes the location of the polling places in the parish at least once before each primary election in the official parish journal, during the third week before the election. (La R.S. 18:535)

C. When a precinct or polling place is established or changed, the parish governing authority (not the board) is required to publish notice in the official parish journal. (La R.S. 18:535)

10.02: Secretary of State Notifications

A. After the commissioners-in-charge are selected, the board compiles a list of their names, social security numbers, party affiliations, and mailing addresses and enters it into the secretary of state's database called the Elections Registration and Information Network (ERIN). This is routinely done by the clerk of court's office for payroll purposes.

B. The board notifies the secretary of state of a polling place consolidation as discussed in Part 7 and Part 11.

Part 11: Consolidation of Polling Places

11.01: Consolidation Rules and Procedures

A. If more than one polling place is within the same location, the board may consolidate the polling places and reduce the number of voting machines.

B. If polling places are consolidated, the board notifies the clerk of court and the secretary of state of the consolidation and indicates the number of voting machines needed.

C. In a consolidated polling place, the board appoints one commissioner-in-charge to serve at the consolidated polling place, and not less than two commissioners for each of the individual polling places that were consolidated.

D. The secretary of state does not agree with a reduction to only one voting machine when not necessary or when there are more than 100 registered voters, as two machines are a sufficient back up if one machine malfunctions on Election Day. Additionally, paper ballots may be used when voting machines fail in accordance with the Administrative Rule on the use of Emergency Paper Ballots on Election Day. Part 14: Open Meeting Laws La-R.S. 42:11 through La-R.S. 42:28

CHAPTER 1-A. OPEN MEETINGS LAW

§11. Short title
This Chapter shall be known and may be cited as the "Open Meetings Law".

§12. Public policy for open meetings; liberal construction
A. It is essential to the maintenance of a democratic society that public business be performed in an open and public manner and that the citizens be advised of and aware of the performance of public officials and the deliberations and decisions that go into the making of public policy. Toward this end, the provisions of this Chapter shall be construed liberally.
B. Further, to advance this policy, all public bodies shall post a copy of this Chapter.

§13. Definitions
A. For the purposes of this Chapter:
   (1) "Consent agenda" means a grouping of procedural or routine agenda items that can be approved with general discussion.
   (2) "Meeting" means the convening of a quorum of a public body to deliberate or act on a matter over which the public body has supervision, control, jurisdiction, or advisory power. It shall also mean the convening of a quorum of a public body by the public body or by another public official to receive information regarding a matter over which the public body has supervision, control, jurisdiction, or advisory power.
   (3) "Public body" means village, town, and city governing authorities; parish governing authorities; school boards and boards of levee and port commissioners; boards of publicly operated utilities; planning, zoning, and airport commissions; and any other state, parish, municipal, or special district boards, commissions, or authorities, and those of any political subdivision thereof, where such body possesses policy making, advisory, or administrative functions, including any committee or subcommittee of any of these bodies enumerated in this paragraph.
   (4) "Quorum" means a simple majority of the total membership of a public body.
B. The provisions of this Chapter shall not apply to chance meetings or social gatherings of members of a public body at which there is no vote or other action taken, including formal or informal polling of the members.

§14. Meetings of public bodies to be open to the public
A. Every meeting of any public body shall be open to the public unless closed pursuant to R.S. 42:16, 17, or 18.
B. Each public body shall be prohibited from utilizing any manner of proxy voting procedure, secret balloting, or any other means to circumvent the intent of this Chapter.
C. All votes made by members of a public body shall be viva voce and shall be recorded in the minutes, journal, or other official, written proceedings of the body, which shall be a public document.
D. Except school boards, which shall be subject to R.S. 42:15, each public body conducting a meeting which is subject to the notice requirements of R.S. 42:19(A) shall allow a public comment period at any point in the meeting prior to action on an agenda item upon which a vote is to be taken. The governing body may adopt reasonable rules and restrictions regarding such comment period.
§15. School board meetings; public comment
A. Notwithstanding any other law to the contrary, each school board subject to the provisions of this Chapter, except as provided in Subsection B of this Section, shall allow public comment at any meeting of the school board prior to taking any vote. The comment period shall be for each agenda item and shall precede each agenda item.
B. The Orleans Parish School Board, at any meeting of the school board, shall provide an opportunity for public comment subject to reasonable rules, regulations, and restrictions as adopted by the school board.
C. For purposes of this Section, a comment period for all comments at the beginning of a meeting shall not suffice to meet the requirements of Subsection A or Subsection B of this Section.

§16. Executive Sessions
A public body may hold executive sessions upon an affirmative vote, taken at an open meeting for which notice has been given pursuant to R.S. 42:19, of two-thirds of its constituent members present. An executive session shall be limited to matters allowed to be exempted from discussion at open meetings by R.S. 42:17; however, no final or binding action shall be taken during an executive session. The vote of each member on the question of holding such an executive session and the reason for holding such an executive session shall be recorded and entered into the minutes of the meeting. Nothing in this Section or R.S. 42:17 shall be construed to require that any meeting be closed to the public, nor shall any executive session be used as a subterfuge to defeat the purposes of this Chapter.

§17. Exceptions to open meetings
A. A public body may hold an executive session pursuant to R.S. 42:16 for one or more of the following reasons:
(1) Discussion of the character, professional competence, or physical or mental health of a person, provided that such person is notified in writing at least twenty-four hours, exclusive of Saturdays, Sundays, and legal holidays, before the scheduled time contained in the notice of the meeting at which such executive session is to take place and that such person may require that such discussion be held at an open meeting. However, nothing in this Paragraph shall permit an executive session for discussion of the appointment of a person to a public body or, except as provided in R.S. 39:1593(C)(2)(c), for discussing the award of a public contract. In cases of extraordinary emergency, written notice to such person shall not be required; however, the public body shall give such notice as it deems appropriate and circumstances permit.
(2) Strategy sessions or negotiations with respect to collective bargaining, prospective litigation after formal written demand, or litigation when an open meeting would have a detrimental effect on the bargaining or litigating position of the public body.
(3) Discussion regarding the report, development, or course of action regarding security personnel, plans, or devices.
(4) Investigative proceedings regarding allegations of misconduct.
(5) Cases of extraordinary emergency, which shall be limited to natural disaster, threat of epidemic, civil disturbances, suppression of insurrections, the repelling of invasions, or other matters of similar magnitude.
(6) Any meeting of the State Mineral and Energy Board at which records or matters entitled to confidential status by existing law are required to be considered or discussed by the board with its staff or with any employee or other individual, firm, or corporation to whom such records or matters are confidential in their nature, and are disclosed to and accepted by the board subject to such privilege, for the exclusive use in evaluating lease bids or
development covering state-owned lands and water bottoms, which exception is proved pursuant to and consistently
with the Public Records Act, being Chapter 1 of Title 44 of the Louisiana Revised Statutes of 1950, as amended, and
other statutes to which the board is subject.

(7) Discussions between a city or parish school board and individual students or the parents or tutors of such
students, or both, who are within the jurisdiction of the respective school system, regarding problems of such students
or their parents or tutors; provided however that any such parent, tutor, or student may require that such discussions be
held in an open meeting.

(8) Presentations and discussions at meetings of civil service boards of test questions, answers, and papers
produced and exhibited by the office of the state examiner, municipal fire and police civil service, pursuant to R.S.
33:2492 or 2552.

(9) The portion of any meeting of the Second Injury Board during which records or matters regarding the
settlement of a workers' compensation claim are required to be considered or discussed by the board with its staff in
order to grant prior written approval as required by R.S. 23:1378(A)(6).

(10) Or any other matters now provided for or as may be provided for by the legislature.

B. The provisions of this Chapter shall not apply to judicial proceedings.

C. The provisions of this Chapter shall not prohibit the removal of any person or persons who willfully
disrupt a meeting to the extent that orderly conduct of the meeting is seriously compromised.

D. The provisions of R.S. 42:19 and R.S. 42:20 shall not apply to any meeting of a private citizens' advisory
group or a private citizens' advisory committee established by a public body, when the members of such group or
committee do not receive any compensation and serve only in an advisory capacity, except textbook advisory
committees of the State Department of Education or the Board of Elementary and Secondary Education. However, all
other provisions contained in this Chapter shall be applicable to such group or committee and the public body which
established such group or committee shall comply with the provisions of R.S. 42:19 in providing the required notice
of meetings of such group or committee.

196, §7, eff. July 1, 2009; Acts 2010, No. 861, §23; Acts 2011, No. 188, §1; Acts 2012, No. 811, §15, eff. July 1,

§18. Executive or closed meetings of legislative houses and committees

A. Notwithstanding any contrary provision of R.S. 42:16 and 17, executive or closed meetings may be held
by the legislature, either house thereof, or any committee or subcommittee of either house, upon the affirmative vote
of at least a majority of the members of the house or the committee or subcommittee thereof making the determination
to hold such meeting, for one or more of the following purposes:

(1) Discussion of confidential communications.

(2) Discussion of the character, professional competence, or physical or mental health of any person subject
to contract with or to employment, election, or appointment or confirmation of appointment by either house of the
legislature or any committee or subcommittee of either or by any other public body.

(3) Strategy sessions or negotiations with respect to collective bargaining, prospective litigation after formal
written demand, or litigation when an open meeting would have a detrimental effect on the bargaining or litigating
position of the legislature, either house thereof, or any committee or subcommittee of either house.

(4) Discussion regarding a report, development, or course of action regarding security personnel, plans, or
devices.

(5) Investigations by the legislature, either house thereof, or by any committee or subcommittee thereof,
including the Legislative Audit Advisory Council or any other joint or statutory committee, whenever reasonable
grounds exist to believe that the testimony to be elicited will reflect a failure of compliance with law.

(6) Cases of extraordinary emergency, which shall be limited to natural disaster, threat of epidemic, civil
disturbances, suppression of insurrections, the repelling of invasions, or other matters of similar magnitude.

(7) Discussion by either house of the legislature, or any committee or subcommittee thereof, of any matter
affecting the internal operations or management of the body.
§19. Notice of meetings

A. (1)(a) All public bodies, except the legislature and its committees and subcommittees, shall give written public notice of their regular meetings, if established by law, resolution, or ordinance, at the beginning of each calendar year. Such notice shall include the dates, times, and places of such meetings.

(b)(i) All public bodies, except the legislature and its committees and subcommittees, shall give written public notice of any regular, special, or rescheduled meeting no later than twenty-four hours, exclusive of Saturdays, Sundays, and legal holidays, before the meeting.

(ii) Such notice shall include the agenda, date, time, and place of the meeting. The agenda shall not be changed less than twenty-four hours, exclusive of Saturdays, Sundays, and legal holidays, prior to the scheduled time of the meeting.

(bb) Each item on the agenda shall be listed separately and described with reasonable specificity. Before the public body may take any action on an item, the presiding officer or his designee shall read aloud the description of the item except as otherwise provided in Subitem (dd) of this Item.

(cc) Upon unanimous approval of the members present at a meeting of a public body, the public body may take up a matter not on the agenda. Any such matter shall be identified in the motion to take up the matter not on the agenda with reasonable specificity, including the purpose for the addition to the agenda, and entered into the minutes of the meeting. Prior to any vote on the motion to take up a matter not on the agenda by the public body, there shall be an opportunity for public comment on any such motion in accordance with R.S. 42:14 or 15. The public body shall not use its authority to take up a matter not on the agenda as a subterfuge to defeat the purposes of this Chapter.

(dd) If an agenda of a meeting of a governing authority of a parish with a population of two hundred thousand or more according to the latest federal decennial census or municipality with a population of one hundred thousand or more according to the latest federal decennial census contains more than fifty items, the governing authority may take action on items listed on a consent agenda without reading the description of each item aloud. However, before any action is taken on items listed on a consent agenda, the governing authority shall allow a public comment period. Any item listed on a consent agenda may be removed from the consent agenda by an individual member of the governing authority if a person objects to the presence of the item on the consent agenda and provides reasons for individual discussion at the meeting. The name of the person who objects to a consent agenda item and the reasons for the objection shall be included in the minutes of the meeting.

(iii) Following the above information there shall also be attached to the written public notice of the meeting, whether or not such matters will be discussed in an executive session held pursuant to R.S. 42:17(A)(2):

(aa) A statement identifying the court, case number, and the parties relative to any pending litigation to be considered at the meeting.

(bb) A statement identifying the parties involved and reasonably identifying the subject matter of any prospective litigation for which formal written demand has been made that is to be considered at the meeting.

(iv) In cases of extraordinary emergency, such notice shall not be required; however, the public body shall give such notice of the meeting as it deems appropriate and circumstances permit.

(2) Written public notice given by all public bodies, except the legislature and its committees and subcommittees, shall include, but need not be limited to:

(a) Posting a copy of the notice at the principal office of the public body holding the meeting, or if no such office exists, at the building in which the meeting is to be held; or by publication of the notice in an official journal of the public body no less than twenty-four hours, exclusive of Saturdays, Sundays, and legal holidays, before the
scheduled time of the meeting. If the public body has a website, additionally by providing notice via the Internet on the website of the public body for no less than twenty-four hours, exclusive of Saturdays, Sundays, and legal holidays, immediately preceding the meeting.
