Louisiana Election Code

Title 18

of the Louisiana Revised Statutes

R.S. 18:1281 – 18:1300

As Amended through the 2018 Regular Session
CHAPTER 6-A. BOND, DEBT, AND TAX ELECTIONS

§1281. Statement of purpose

The purpose of this Chapter is to implement Article VI, Section 22 of the Louisiana Constitution of 1974 by establishing a uniform procedure for the conduct of elections to authorize the issuance of bonds, the assumption of indebtedness, and the imposition or increase of taxes by political subdivisions. The procedure for elections set forth in this Chapter shall apply to and shall supersede those provisions of the Louisiana Constitution of 1921 which were continued as statutes under authority of Part II of Article XIV of the Louisiana Constitution of 1974 and existing laws of the state of Louisiana, notwithstanding any contrary provisions contained therein. However, nothing contained in this Chapter shall repeal the limitations in effect on January 1, 1975 on the authority of political subdivisions to impose or increase taxes.

§1282. Political subdivision defined

For purposes of this Chapter, the term "political subdivision" means a state department, agency, board, or commission; a parish; a municipality; a school board and a school district; a levee board and a levee district; a port board and a port commission; a port, harbor, terminal and industrial district; and any special service district, including but not limited to a road, water, sewerage, fire, protection, recreation, gas utility, or garbage district, and any other board, district, or unit of local government authorized by law to conduct elections for the issuance of bonds, the levying or increasing of any tax, or the assumption of indebtedness.

§1283. Elections

A. In every case in which the provisions of the Louisiana Constitution of 1974 as now existing or hereafter amended, or of law, as now existing or hereafter amended or enacted, requires the approval of voters at an election in a political subdivision as a prerequisite to the issuance of bonds, levying or increasing of any tax, or the assumption of indebtedness by said political subdivision, the election shall be held substantially in accordance with the election laws set forth in Title 18 of the Louisiana Revised Statutes of 1950, except that the election shall be called, conducted, canvassed, promulgated, and notice thereof given by the governing authority of the political subdivision in accordance with the procedures hereinafter set forth.

B. The governing authority of the political subdivision may call a special election for any of these purposes to be held on any of the dates set forth in R.S. 18:402(F), and it shall call an election for any of these purposes when requested to do so by the petition in writing of one-fourth of the electors qualified to vote at an election.

§1284. Resolution calling election; proposition

A. The election shall be ordered by a resolution of the governing authority of the political subdivision which shall state the purpose for which it is called.

B. If the purpose of the election is to authorize the issuance of bonds, the resolution and the proposition submitted to the voters shall state the purpose for which the bonds are to be issued and, if required by the law pursuant to which the bonds are issued, the estimated millage rate to be levied in the first year of issue, the maximum amount of the bonds to be issued, the number of years for which the bonds are to run, and the maximum rate of interest on the bonds.

C. If the purpose of the election is to authorize the levy or increase of a special tax, the resolution and the proposition submitted to the voters shall state the rate, object, and purpose for which the tax is to be
levied or increased; the estimated amount reasonably expected to be collected from the levy or increase of
the tax for one entire year at the time it is proposed; and, if it is to be limited as to duration, the number of
years it is to run. If the purpose of the election is to authorize an increase of a tax, the resolution and the
proposition shall also state the rate increase. The contents of any proposition or resolution relative to the
issuance of general obligation bonds shall be as provided in Subsection B of this Section.

D. If the purpose of the election is to authorize the assumption of indebtedness, the resolution and the
proposition submitted to the voters shall state the amount and nature of the debt to be assumed.

E. In each election ordered by a governing authority of a political subdivision for the purpose of
authorizing the issuance of bonds, the proposition on the ballot submitted to the voters shall state the kind
and source of revenues which are pledged to retire the bonds.

F.(1) The preparation of the proposition to be submitted to the voters at an election shall be the
responsibility of the governing authority of the political subdivision ordering the election. The proposition
shall include the information required by this Section in simple, unbiased, concise, and easily understood
language and be in the form of a question. The proposition shall not exceed two hundred words in length
and shall not include words that are struck through, underscored, or in boldface type.

(2) The secretary of state shall be responsible for ensuring that the proposition complies with the
requirements of this Section.

§1285. Notice of election

A.(1)(a)(i) Notice of the election shall be given and shall embrace substantially all matters required to
be set forth in the resolution ordering the election, including a list of precincts where the proposition will be
voted on and an indication for each precinct as to whether or not all registered voters in the precinct will be
eligible to vote on the proposition, unless the proposition is to be voted on parishwide.

(ii) If the notice is relative to the increase of a special tax, the notice shall also state the proposed
increase in the millage rate of a property tax or percentage rate of sales tax.

(iii) If the notice is relative to an election which affects ad valorem taxation, the notice shall also state
that a portion of the monies collected shall be remitted to certain state and statewide retirement systems in
the manner required by law.

(iv) The notice shall also state that the governing authority of the political subdivision ordering the
election will, in open session, at the hour and place named, proceed to canvass the returns and declare the
result of the election.

(b) The list of commissioners for an election called in accordance with R.S. 18:1286(A) is not required
to be set forth in the notice of election.

(2) The notice shall be published once a week for four consecutive weeks in the official journal of the
political subdivision, or, if there is none, then in a newspaper of general circulation in the parish or, if there
is no newspaper of general circulation in the parish, then in a newspaper of general circulation in an
adjoining parish. Not less than forty-five days nor more than ninety days shall intervene between the date
of the first publication and the date of the election.

B.(1)(a) Written notice of the election and the certificate required by Subparagraph (b) of this Paragraph
shall be transmitted to the secretary of state and each clerk of court and registrar of voters in the area affected
by the election. If the election is to be held on a primary election date, then such notice and certificate shall
be received by the secretary of state at least four weeks prior to the opening of the qualifying period for the
primary election. If the election is not to be held on a primary election date, then the notice and certificate
shall be received by the secretary of state on or before the fifty-fourth day prior to the election. The secretary of state shall not accept any revisions to propositions, including but not limited to changes in title, text, or numerical designations, after the last day for submission of the notice and certificate to the secretary of state.

(b) The secretary of state shall not prepare or certify the ballot with respect to any election for bond, debt, or tax propositions, conducted pursuant to this Chapter, or in respect to any other election where the proposition is subject to approval by the Louisiana State Bond Commission, including but not limited to any proposition to adopt, amend, or repeal a home rule charter which is subject to such approval, until he receives certification in writing from the chairman of that commission that the commission has considered and approved the proposition.

(2) The secretary of state shall not include any proposition on any ballot of any election if such notice and certificate required by Subparagraph (1)(b) of this Subsection are not timely received by the secretary of state. The failure of the clerk of court or registrar of voters to timely receive notice and the certificate, as provided for herein, shall not prevent the secretary of state from including the proposition on the ballot. Any elector who is eligible to vote in the election may apply for injunctive relief to prohibit the placing of a proposition on the ballot if notice and the certificate are not timely received by the secretary of state. Venue for such application shall be in any parish in which the election is called, and the secretary of state shall be a proper party defendant.

§1286. Polling places; election officers

A. When an election called under the provisions of this Chapter is not held at the same time as the election of any public official, the governing authority of the political subdivision ordering the election shall use the established polling places and provide the voting machines and a compiled statement of qualified voters. On or before the twenty-first day prior to such election, the parish board of election supervisors shall appoint the number of commissioners for each precinct as provided in R.S. 18:425(A)(1)(b) and not less than the same number of alternate commissioners for each precinct, all of whom shall meet the qualifications set forth in Part II of Chapter 5 of this Title. The commissioner-in-charge for each precinct at which an election called under the provisions of this Chapter is held shall be the commissioner-in-charge selected or appointed for such precinct under the provisions of Part II of Chapter 5 of this Title.

B. When an election called under the provisions of this Chapter is held at the same time as the election for any public official, the election shall be held solely in compliance with the provisions of Parts II and V of Chapter 5 of this Title, and the commissioners selected for the election for public officials shall be the commissioners for the election called under the provisions of this Chapter and shall only receive the compensation provided for in R.S. 18:424 and R.S. 18:425.

§1286.1. Authority to consolidate polling places; reduction of number of voting machines and election officials

A. Notwithstanding any provision of R.S. 18:1286(A), when an election called under the provisions of this Chapter is not held at the same time as the election of any public official, in cases where more than one
polling place is within the same location the parish board of election supervisors may consolidate polling places in that location, for that election and may reduce the number of voting machines to be used in the election below the number fixed by R.S. 18:1363 and, in such case, shall notify, in accordance with the time line provided in R.S. 18:1363(H), the parish custodian of voting machines and the secretary of state of the number of machines to be prepared and delivered for the polling places so consolidated.

B. Whenever the parish board of election supervisors consolidates polling places as authorized by Subsection A of this Section, it shall appoint a commissioner-in-charge to serve at each such consolidated polling place and may reduce to not less than two the number of commissioners and alternate commissioners to be appointed to serve at each such polling place.

§1287. Election officers; substitutes

The commissioner-in-charge and the commissioners shall be present at the polling place at least thirty minutes prior to the time the polls are to open. A commissioner-in-charge who fails to so appear shall be replaced in accordance with R.S. 18:433(H). If any commissioner fails to so appear, or if the number of commissioners present is less than the number necessary to conduct the election as previously established by the governing authority, the commissioner-in-charge shall appoint the necessary number of commissioners in accordance with R.S. 18:434(D)(2).

§1288. Election officers; oaths

Commissioners-in-charge and commissioners shall take the oath or affirmation as provided by R.S. 18:424 and R.S. 18:425. A commissioner may administer any oath and receive any affidavit provided for in this Chapter.

§1289. Penalty for violations

A. In elections held under the provisions of this Chapter the commissioners shall have the same powers and duties in conducting the elections and in preserving order at the polls as are conferred and imposed upon similar officers under the provisions of this Title for other elections. Whatever is declared in Chapter 10 of this Title to be a felony, misdemeanor or other crime shall be the same for any election held under the provisions of this Chapter and shall be punished in the same manner.

B. Any willful failure or neglect to comply with the requirements of this Chapter or any willful violation by any officer, agent, or employee of any political subdivision availing itself of the provisions of this Chapter shall be punished by a fine of not less than twenty-five dollars or more than five hundred dollars or by imprisonment not exceeding one year, with or without hard labor, or by both fine and imprisonment.

§1290. Qualification of voters

A. All qualified electors of the political subdivision ordering the election shall be entitled to vote in an election on the issuance of bonds, levying or increase of a tax, or the assumption of indebtedness by the political subdivision, and such bonds may be issued, such tax levied or increased, or indebtedness assumed if approved by a vote of a majority in number of the qualified electors voting on the proposition at such election as is provided in this Chapter. No voter shall be required to sign a ballot or vote assessed valuation of property.

B. The registrar of voters shall furnish to the election commissioners appointed to hold the election the precinct register for each precinct or polling place. No defect or irregularity in or omission from the register
so furnished shall affect the validity of the election unless it is established that the voters were thereby
deprived of votes sufficient in number to have changed the result of the election.

§1291. Voting

Except as otherwise provided in this Chapter, voting machines shall be used and the election laws of this
state applicable to other elections held under this Title shall govern the conduct of the voting in elections held
under this Chapter.

§1292. Canvass of returns

On the date and at the hour and place specified in the notice of election, the governing authority ordering
the election, in public session, shall examine and canvass the returns and declare the result of the election. The result shall be promulgated by one publication in a newspaper of general circulation in the political subdivision or, if there is none, in a newspaper of general circulation in the parish or, if there is no newspaper of general circulation in the parish, then in a newspaper of general circulation in an adjoining parish.

§1293. Proces verbal

The governing authority ordering the election shall preserve a proces verbal of the canvass. If the election affects ad valorem taxation, the governing authority shall include a copy of the notice of election and proof of publication of the notice in the proces verbal. The governing authority shall forward a copy of the proces verbal to the secretary of state, who shall record it. A copy also shall be forwarded to the clerk of the district court, and in Orleans Parish to the clerk of the civil district court, who shall record it in the mortgage records. A copy shall be retained in the archives of the office of the governing authority ordering the election.

§1294. Contests

For sixty days after promulgation of the results of an election held under this Chapter to incur debt, issue
bonds, levy or increase a tax or assume debt, any person in interest may contest the legality of the election, the bond issue provided for, the tax authorized, or the assumption of indebtedness for any cause. After that time no one shall have any cause or right of action to contest the regularity, formality, or legality of the election, tax provisions, or bond authorization, for any cause whatsoever. If the validity of any election, tax, debt assumption, or bond issue authorized or provided for is not raised within the sixty days, the authority to incur or assume debt, levy the tax, or issue the bonds, the legality thereof, and the taxes and other revenues necessary to pay the same shall be conclusively presumed to be valid, and no court shall have authority to inquire into such matters.

§1295. Special election to increase interest rate

A. Any parish, municipality, or other political subdivision of the state in which a special election has been held, at which election the issuance of bonds of said political subdivision has been approved and a maximum rate of interest to be borne by said bonds has been established may, through the respective governing authority thereof, call and hold a special election to authorize the issuance and sale of such bonds at a maximum rate of interest greater than that rate specified in the proposition or propositions previously approved. However, such greater maximum rate of interest so submitted for approval shall not exceed the maximum rate of interest than permitted by the applicable laws of the state for the type of bonds described in the aforesaid proposition or propositions.
B. Any election called and held hereunder shall be held and conducted under the same legal authority under which the previous election was held and conducted unless such laws since have been amended, in which event said election shall be held and conducted in accordance with the laws of the state then in effect with respect to the holding and conducting of special elections to authorize the issuance of such bonds. An election held and conducted hereunder shall have no effect other than to permit the issuance and sale of said bonds at a maximum rate of interest greater than that approved at the previously held election.

C. Notwithstanding any contrary provision of this Chapter, the authority to issue any bonds approved in prior bond elections shall remain in full force and effect.

CHAPTER 6-B. ELECTIONS AT WHICH A PROPOSITION OR QUESTION IS TO BE SUBMITTED TO THE VOTERS

§1299. Applicability

The provisions of this Chapter provide the procedures to be used in elections, except those provided for in Chapter 6-A of this Code, at which a proposition or question, authorized by the state constitution, by a statute of this state, or by a home rule charter, shall be submitted to the voters.

§1299.1. Question or proposition to be voted on; length

A. The preparation of a question or proposition to be submitted to the voters at an election shall be the responsibility of the governing authority or other entity calling the election or submitting the question or proposition. The proposition shall be comprised of simple, unbiased, concise, and easily understood language and be in the form of a question. The proposition shall not exceed two hundred words in length and shall not include words that are struck through, underscored, or in boldface type.

B. The secretary of state shall be responsible for ensuring that the proposition complies with the requirements of this Section.

§1300. Procedures; notice of election; expenses

A.(1) When an election at which a proposition or question is to be submitted to the voters is held at the same time as an election for any public official, the election shall be held in compliance with the applicable provisions of Chapter 5 and Chapter 6-A of this Title.

(2) The commissioners selected to serve at the election for the public officials also shall serve as the commissioners for the election at which a proposition or question is to be submitted to the voters, and the compensation for each shall be only that amount provided for in R.S. 18:424 and R.S. 18:425 for the day of service as a commissioner or commissioner-in-charge.

B. When an election at which a proposition or question is to be submitted to the voters is not held at the same time as the election of any public official, the election shall be held solely in compliance with and shall be subject to the applicable provisions of Chapter 6-A of this Title.

C.(1) When an election is called under the provisions of this Chapter, written notice of the election shall be transmitted to the secretary of state, the commissioner of elections, and each clerk of court and registrar
of voters in the area affected by the election. If the election is to be held on a primary election date, then such notice shall be received by the secretary of state at least four weeks prior to the opening of the qualifying period for the primary election. If the election is not to be held on a primary election date, then such notice shall be received by the secretary of state on or before the fifty-fourth day prior to the election.

(2) The secretary of state shall not accept any revisions to propositions or questions, including but not limited to changes in title, text, or numerical designations, after the last day for submission of the notice to the secretary of state. The secretary of state shall not include any proposition or question on any ballot of any election if such notice is not timely received by the secretary of state.

(3) Any elector who is eligible to vote in the election may apply for injunctive relief to prohibit the placing of a proposition on the ballot if notice is not timely received by the secretary of state. Venue for such application shall be in any parish in which the election is called, and the secretary of state shall be a proper party defendant.
