STATEMENT FROM SECRETARY ARDOIN REGARDING WEBSITE MAINTENANCE

BATON ROUGE, La.— "I am proud of our record of registering over 90% of all eligible Louisianans, and our office works hard to ensure every citizen who wants to register can do so. Just last week, we sent registration information to over 100,000 identified eligible but unregistered citizens.

Last night our website experienced a short delay due to maintenance, an unfortunate error for which I take full responsibility. For anyone who wishes to register or change their registration, there is still time. The in-person and by-mail registration deadline is October 5th while the online registration deadline is October 13th."
